

Job Description

Gate Controller - Derby

BCA operates the largest used-vehicle marketplace in the UK and Europe operating in 10 countries, 60 different locations, selling 1.3 million vehicles per annum. BCA touches over 3.5m vehicles a year as it provides services along the vehicle life cycle from port to dealerships for new vehicles to refurbishment and logistics for used vehicles and the core re-marketing and auction operations.

This is an exciting opportunity to join British Car Auctions, a fast paced company that really values your skills and hard work - a chance to work for the BCA Operations Team, a positive and focused team working for Europe's largest vehicle remarketing company.

Main purpose of job:

To control vehicle entry and exit to and from the secure area of the auction centre.

Main Responsibilities:

- Book vehicles for sale into the auction centre according to Company procedures, including non-runners and repossessions.
- Book sold vehicles out of the auction centre according to Company procedures.
- Issue bar codes for vehicles and assign the vehicle to the bar code on the company systems.
- Check delivered vehicles for damage against the haulier POD and take any appropriate action.
- Deal and record repossession vehicles as per the Vendor SLA.
- Undertake security related duties to ensure the auction centre are protected.
- Control vehicle keys in the auction centre issuing them only on production of the appropriate paperwork and according to Company Standards.
- Politely refer any issues, queries or complaints to the relevant manager.
- Undertake any cross-functional tasks in the yard department to ensure that operational requirements are met.
- Undertake ad-hoc tasks as necessary to meet the business needs and for your own personal development.

The Gate activities are partly undertaken outdoors; this means the job holder necessarily spends a proportion of their time exposed to all weather conditions.

A flexible approach to working hours is required to meet the needs of the business, which are driven by the auctions.
