

Regional Finance Business Analyst - Blackbushe

BCA operates the largest used-vehicle marketplace in the UK and Europe operating in 10 countries, 60 different locations, selling 1.3 million vehicles per annum. BCA touches over 3.5m vehicles a year as it provides services along the vehicle life cycle from port to dealerships for new vehicles to refurbishment and logistics for used vehicles and the core re-marketing and auction operations.

This is an exciting opportunity to join British Car Auctions, a fast paced company that really values your skills and hard work - a chance to work for BCA, a positive and focused team working for Europe's largest vehicle remarketing company.

Main purpose of job:

- Based at BCA's largest Auction Centre at Blackbushe the role will require occasional travel to other sites to meet with stakeholders
- Become a central data source, standardising financial reporting by developing a suite of templates to generate the team's standard regional and commercial reports, including KPIs, wages and salaries, agency usage and income analysis
- Work closely with the Sales team to assist with customer profitability reviews and supporting the pricing for new tenders
- Have a desire to "get under the bonnet", understanding a sharing the key messages from the numbers in order to provide insight and aid decision making
- Build and manage relationships and network productively
- Have the ability to get into and understand the detail but then step back and make considered, holistic judgements which can be communicated and illustrated succinctly and effectively

Main Responsibilities:

- Consolidate branch, subsidiary and central function budgets and forecasts for submission to Group Finance
- Assist with preparation of budgets and for specific items of income and expenditure and cost centres
- As well as regular reporting, provide ad-hoc analysis and decision support for the business to enable it to cope with market and business changes
- Working with the Regional Finance team to develop controls and procedures to ensure that all key financial and operational issues are identified, communicated and captured on a timely basis
-

Working Hours

Monday to Friday 9.00am – 6.00pm

Essential Criteria

- Part-qualified accountant, with 2 years in a similar role
- Study support available

- Be a self-starter and not be phased by building reports from scratch and validating own work before sharing. Able to work on own initiative with a minimum of supervision but maintaining a focus on teamwork
- Be commercially aware and possess strong numerical skills with a keen desire to question and challenge information to ensure high reliability
- Possess well-developed analytical skills combined with the ability to present detailed information clearly and succinctly to Senior Management
- Excellent interpersonal and influencing skills
- Advanced Excel skills would be a necessity including Lookup tables, 'if' statements, graph manipulation
- Tenacious and resilient with the ability to cope with a high workload and strict deadlines
- Able to work and deliver results in a fast moving and high-pressured environment with changing priorities
- Qlikview experience and project management experience would be an advantage

Working for BCA
